RE: **DRAFT** Circuit Court Civil Fee Schedule Effective October 1, 2009

The July 1, 2009, version of the Circuit Court Civil Fee Schedule has been updated to include the legislative changes effective October 1, 2009. The attached document summarizes the 2009 legislative changes:

Summary of Fee Legislation 2009

I am sending DRAFT schedules to alert you ahead of time of the significant fee changes effective October 1, 2009. The fee schedule is in DRAFT form because some details are not yet available. Specifically, one Chief Justice Order (CJO) is still in process; it will address the additional party fee and the ex parte order or judgment fee established by chapter 659, Oregon Laws 2009 (HB 2287). I will send you a FINAL version of the Circuit Court Civil Fee Schedule and will post it on our website, www.oregon.gov/Crook or www.oregon.gov/Jefferson , when the work is complete and the CJO is in place. Here is the draft schedule:

Please distribute this memorandum, the legislative summary and the draft fee schedule to the appropriate personnel in your office.

Thank you.
