)	

This matter coming before the court on its own motion:

ORS 7.120 (2) allows for the return, destruction or other disposition of exhibits offered or received in any case in circuit court at any time after the case becomes final and not subject to further appeal. This does not apply to exhibits in a case involving the determination of water rights, which exhibits shall be permanently retained.

It is hereby ordered:

The Trial Court Administrator shall from time to time destroy exhibits as authorized by statute.

It is so ordered this 30th day of March, 2015

Richard L. Barron, Presiding Judge
