Additionally, until further notice if you are ill with flu like symptoms or if you have a client that is scheduled to appear in court that is ill with flu like symptoms please submit a written motion to the court to continue the matter. The court will be flexible in these instances. Along these lines if ill individuals appear in court the court will most likely reset the matter. We are taking internal precautions as well and are requesting our staff to stay home if they are sick so as not to potentially spread serious illnesses to others.

Thank you.
