RE: Crook County Circuit Court Drug Court Scheduling Change

---

Effective Monday, August 7, 2006, the scheduled times for ***drug court staffing and drug court hearings in Crook County will be changed to 8:30 a.m./9:00 a.m. respectively*** in front of Judge Thompson. They will no longer be set at 11:00 a.m. and 11:30 a.m. They will continue to be on Monday of the first and third weeks of the month. *Only the times have changed.*

This scheduling change is in response to a request from a local attorney to address scheduling conflicts with criminal pre-trials/sentencing hearings and drug court. As a result of this change, two other changes will occur they are:

- ▶ Juvenile jurisdiction/permanency hearings will be scheduled at 9:30 a.m. on Monday of the first week of the month in front of Judge Thompson. (There were previously scheduled at 9:00 a.m.)
- ▶ Civil pre-trial conferences will be scheduled at 9:00 a.m. on Monday of the third week of the month in front of Judge Ahern. (They were previously scheduled at 8:30 a.m. in front of Judge Thompson.)

We hope that this change alleviates the scheduling conflict. Please feel free to contact me if you have any questions.
