

******* PUBLIC NOTICE *******

Attached is a letter that Chief Justice De Muniz sent last week to all legislators. The letter broadly outlines the impacts of 2011-13 budget reductions to the Oregon Judicial Department (OJD). Also attached is Chief Justice Order (CJO) #11-033 ordering 9 statewide court closure dates for the 2011-13 biennium. The dates for court closures coincide with 9 of the 10 executive branch closure dates, starting with November 25, 2011. Since the statewide closure dates are infrequent and usually occur more than 30 days or more apart, the usual emergency type events anticipated will be prepared for and processed as we currently do for holiday closures.
