RE: Arbitrator Compensation

---

Pursuant to UTCR 13.120(1) the Twenty-Second Judicial District Arbitration Commission met on September 13, 2010, to establish fees for mandatory arbitration in Crook and Jefferson Counties. Effective October 1, 2010, for any new referrals to arbitration, the compensation for arbitrators shall be:

- \$600 for the first four hours
- \$150 per hour for up to four additional hours

If extraordinary conditions justify a different fee or if more than eight hours of arbitration services are required, and the parties concur, the fee or additional time may be adjusted accordingly. If the parties do not agree to the additional time or a different fee, the arbitrator must submit an affidavit, motion and proposed order to the Presiding Judge regarding the extraordinary conditions which require additional time or a different fee.
