This agreement documents the understanding between the Court and Evaluator, \_\_\_\_\_, as to the scope of services that will provided in this case.

Evaluator agrees to conduct a study consistent with ORS 107.137 and ORS 107.425, and make a recommendation to the Court as to the proper custodian and/or parenting time schedule for the minor child(ren) pursuant to ORS 107.425. Evaluator agrees to provide this study for a fee, in accordance with the Order for Custody Study entered in this case, dated \_\_\_\_\_, and the following restrictions on service.

1. Evaluator agrees to conduct interviews as necessary to make a determination as to what is in the child’s best interests, and to limit them, at Evaluator’s discretion, to the extent the interviews are redundant, or are being misused by either party.

2. Evaluator agrees to review up to four references per parent. Evaluator agrees to review references submitted in excess of this amount only if allowed by further court order.

3. Evaluator agrees to review relevant written documentation submitted by the parties, and medical, mental health and treatment records, relating back no longer than five years prior to the date of the Order for Custody Study. Older materials submitted by the parties will not be considered by Evaluator unless permitted by further court order. This time restriction does not include criminal records.

4. At the conclusion of the study, Evaluator agrees to provide the Court and the parties a written summary of findings and recommendations not to exceed three pages.

The Court and Evaluator agree that compensation of the Evaluator shall be in the amount of \$2,000, based on services provided in accordance with this agreement.
