

STANDARD PARENTING PLAN

It is the policy of this court to encourage the parties to work out their own Parenting Plan, either between themselves, with the help of legal professionals or through mediation. The court will generally approve any Parenting Plan agreed upon by the parties.

The intent of the Standard Parenting Plan is to provide a Parenting Plan to parties who have not been able to agree to an alternate, more flexible plan. Because each family’s circumstances are different, the court may make provisions for more or less parenting time than provided for in the Standard Parenting Plan. The best interest of the child(ren) is the paramount consideration.
