

**IN THE CIRCUIT COURT OF THE STATE OF OREGON
FOR THE COUNTY OF JACKSON**

STATE OF OREGON

Plaintiff

v.

Defendant

CASE NO: _____

**ORDER COMMUNITY MENTAL
HEALTH CONSULTATION
(ORS 161.370(9)(b))**

DOB: _____

SID: _____

THIS MATTER having come before the court based on notice from the Oregon State Hospital that the Defendant:

- Is no longer dangerous to self or others as a result of a qualifying mental disorder; or
- No longer requires a hospital level of care due to the defendant's dangerousness and the acuity of symptoms of the defendant's qualifying mental disorder; or
- That the services necessary to allow the defendant to gain or regain fitness to proceed are offered in the community and the Community Mental Health Program will identify the resource availability.

The court orders that the community mental health program director or the director's designee consult with the defendant to determine whether services and supervision necessary to safely restore the defendant's fitness to proceed are available in the community pursuant to ORS 161.370 (9)(b).

Consistent with OAR 309-088-0125, within two judicial days after receipt of this Order, the director or designee shall send acknowledgement to the Court of having received this Order. The director or designee shall complete and submit the consultation within five (5) judicial days of receipt of this Order.

The District Attorney, defense attorney, and Jackson County Sheriff/jailer shall provide all non-privileged pertinent information about defendant to the program director or director's designee upon request.

In addition, the Oregon State Hospital Forensic Evaluation Service shall provide its reports and updates, if any, regarding defendant to the program director or director's designee upon request.

IT IS SO ORDERED.
