- (3) Upon receipt of the engineer's report, the clerk shall cause copies thereof to be forthwith mailed to petitioner and any persons upon whom the original petition was served. If the engineer's report includes any alternative route over land owned by persons other than those served by the original petition, petitioner shall forthwith cause a copy of the petition, a summons, and the engineer's report to be served upon such owner in the manner provided for the service of the original petition.
- (4) Petitioner shall, at the time of filing the original petition, deposit with the clerk \$750.00 cash as a deposit on expenses to be incurred by the county or other persons as the result of the petition and action thereon. The \$750.00 cash deposit may, in the exercise of the court's legal discretion, be refunded to the depositor in the event no expenses are incurred. Any filing fee required by law shall not be subject to return.

CHAPTER 4 - PROCEEDINGS IN CRIMINAL CASES

4.011 Pretrial Motions

All pretrial motions not covered by UTCR 4.010 (rule pertains to omnibus motions, motions relating to discovery) shall be filed with the court at or before the time of the pretrial conference. The court shall set the matter for hearing and notify the parties in writing of the date of said hearing. Unless for good cause shown, no such hearing shall be scheduled fewer than 14 days after the filing of said motion.

4.012 Authority in Support of Motions

Every motion, other than a motion to suppress, shall be accompanied by, or include, a memorandum of law or a statement of points and authorities explaining how any relevant authorities support the contentions of the moving party.

4.013 Form of Order

All motions containing a single issue or challenge, and all demurrers, shall be accompanied by a form of order upon which the court may either allow or deny the motion or sustain or overrule the demurrer.

4.081 Appearance at Criminal Proceedings by Simultaneous Electronic Transmission

- (1) Unless otherwise prohibited by the court or by statute, all arraignments, pretrial conferences, pleas, pretrial motions and sentencings involving a defendant incarcerated at an Oregon Department of Corrections institution may be held by simultaneous electronic transmission.
- (2) Unless otherwise prohibited by the court or by statute, all arraignments, pretrial conferences, security hearings and sentencings involving a defendant incarcerated in the Jackson County Jail may be held by simultaneous electronic transmission.

- (3) Defendants, other than those specified in subsection (1) and (2) above, and all other witnesses in a criminal proceeding, shall be allowed to testify by simultaneous electronic transmission provided that it is with the parties' consent and the approval of the court.
- (4) Whenever testimony by simultaneous electronic transmission is allowed under this rule, it shall be the responsibility of the party calling said witness to coordinate with the opposing party, the court and the witness the manner and time of simultaneous electronic transmission sufficiently in advance of the criminal proceeding so as not to cause undue disruption or delay.
- (5) "Criminal proceeding" and "simultaneous electronic transmission" shall have the same meaning as those terms are defined in ORS 131.045.
- (6) Circuit court proceedings may be conducted in person or by remote means, as determined by the Presiding Judge.

CHAPTER 5 - PROCEEDINGS IN CIVIL CASES

5.021 Electronic Recordings submitted in Writ of Review Proceedings.

Following the court's allowance of a Petition for Writ of Review pursuant to ORS 34.040, all audio and video recordings of hearings or proceedings before an officer or tribunal shall be fully and accurately transcribed and shall be returned as part of the certified copy of the record of proceedings in question in accordance with ORS 34.060.

5.061 Civil Motions

- (1) There are three types of civil motions: evidentiary, non-evidentiary and "ex parte."
 - (a) Evidentiary motions are motions in which it is contemplated that testimony will be taken.
 - (b) Non-evidentiary motions, including any motion for summary judgment, shall be heard without the taking of testimony.
 - (c) "Ex parte" motions may or may not require the taking of testimony.
- (2) Evidentiary motions shall be commenced by the filing of a motion asking for specific relief. They shall be supported by an affidavit and/or an ORCP 17 certified statement setting forth the factual and/or legal grounds for the relief sought. The documents filed shall reasonably apprise the opposing party(ies) of the issues sought to be determined.

- (a) Evidentiary motions shall be accompanied by a completed “Civil Evidentiary Motion Notice of Hearing” form. Service of the motion, the form, and any supporting documents shall be made pursuant to ORCP 7 or ORCP 9, as determined by the status of the case. Attached hereto as Appendix A is a sample form for use as a “Civil Evidentiary Motion Notice of Hearing” form.
- (b) All Show Cause Motions filed by the State shall be heard on a date and time as prescribed by the court. The court will announce its calendar annually.
- (c) All other evidentiary motions shall be scheduled and heard by the judge to whom the case or motion is assigned. Evidentiary motions shall be scheduled seven (7) or more days after service if the opposing party is served in Jackson County, and fourteen (14) or more days after service if the opposing party is served outside Jackson County. They will be set on a date and time as prescribed by the court. The court will announce its calendar annually.
- (d) Evidentiary motions shall not be accompanied by an order to show cause unless such an order is required by statute or rule. If a show cause order is utilized, the statute or rule requiring said order shall be noted on the face of the order.
- (3) Except as provided by SLR 8.041, non-evidentiary motions shall be heard on a date and time as prescribed by the court. The court will announce its calendar annually.
- (a) The court’s Judicial Assistants shall set the time for all non-evidentiary hearings.
- (b) When oral argument is requested pursuant to UTCR 5.050, the motion shall be heard on the first Monday after the expiration of twenty-one (21) days from the filing of the motion, except for summary judgment motions which shall be scheduled by the court in conformance with ORCP 47C.
- (c) Except as provided by SLR 8.041(2), if a party served with a non-evidentiary motion has a legal basis for presenting evidence, and so desires, said party may reschedule the motion as an evidentiary motion by utilizing the procedures concerning evidentiary motions.
- (4) Any party filing a response, reply, objection or memorandum relating to a previously filed motion must state in the caption of their filing the date, if any, of any scheduled hearing.
- (5) Whenever a party submits a motion and order pursuant to ORS 293.293(2) requesting that funds held in trust by the court be placed in an interest-bearing account, the motion and order shall be submitted as a single document without

reference to any other request or issue.

5.062 Stipulated or “Ex Parte” Orders

- (1) A stipulated or “ex parte” matter may be presented to the judge to whom the case is assigned; or, if unassigned, then to any individual judge with that judge’s permission. The presentation may be made in person by the moving party or attorney.
- (2) Emergency matters may be presented to a judge at any time, except as prohibited by SLR 5.062(4).
- (3) Stipulated or “ex parte” matters may also be left with the court clerk or any individual judge’s judicial assistant for presentation to the judge in due course.
- (4) The court will not entertain “ex parte” matters while on the bench other than the matter before the court for hearing.
- (5) “Ex parte” matters include, but are not limited to, the following: default dissolution judgments, petitions for restraining orders under the provision of any Oregon law, motions for show cause orders, waivers of marriage license waiting periods, waivers of waiting periods in domestic relations cases, default orders, and probate or guardianship orders.
- (6) No “ex parte” motion to continue shall be granted by the court unless the motion includes a statement setting forth the position of the opposing parties.

5.101 Submission of Orders and Judgments Following a Trial or Hearing.

- (1) Attorneys who are directed by the court to prepare and submit orders or judgments following a court proceeding shall use reasonable diligence in doing so within twenty-eight (28) days of the date they are instructed to do so.
- (2) An attorney who wishes to object to the form or content of a proposed order or judgment shall have ten (10) days from receipt of the proposed order or judgment in which to file written objections.
- (3) An attorney objecting to the form or content of a proposed order or judgment is required to make a good faith effort to confer with the attorney who prepared the order or judgment before filing objections thereto.

CHAPTER 6 – TRIALS

6.011 Pretrial Conferences in Civil Cases

- (1) A pretrial conference may be set by the court in any civil case to address the

items contained in UTCR 6.010. If the court does not set a pretrial conference, any party may request that one be scheduled.

- (2) The trial attorney or another attorney familiar with all aspects of the case shall appear at the pretrial conference. If unrepresented, the pro se litigant shall appear.
- (3) The persons appearing at the pretrial conference shall be prepared to discuss the status of settlement discussions and the possibility of settlement.
- (4) The court may enter a pretrial order based on the issues addressed in the pretrial conference. The pretrial order may provide for deadlines for the following:
 - (a) Amendments or additions to pleadings;
 - (b) Motions;
 - (c) Discovery;
 - (d) Trial Memoranda;
 - (e) Marking and exchange of all trial exhibits, except those to be used solely for impeachment purposes;
 - (f) Submission of jury instructions; and
 - (g) Any other matter that may aid in the disposition of the action.
- (5) The provisions of a pretrial order shall be enforced by the court, except on motion and for good cause shown.

6.012 Settlement Conferences

- (1) If one party requests a pretrial settlement conference, or in cases designated by the court, a mandatory settlement conference shall be held. However, scheduling of a settlement conference is subject to judicial availability and a settlement conference shall not be scheduled so as to delay trial of the case. The pretrial settlement conference will not be required if the opposing party demonstrates good cause why the settlement conference should not be held.
- (2) The purpose of the settlement conference is to provide a forum to resolve disputes before trial through the active participation of counsel and the court. The attendance of all parties and their trial attorneys is required. When a party is insured, a representative of the insurance company with authority to settle the

case shall be in attendance. Upon a showing of good cause, the judge conducting the settlement conference may excuse a party or insurance representative from personally appearing but may require him or her to participate by telecommunication.

- (3) Pretrial settlement conferences shall be conducted by a judge other than the assigned trial judge, unless all parties stipulate that the trial judge may also conduct the settlement conference.
- (4) For a meaningful settlement conference to occur, all attorneys and parties must participate in good faith. The failure of any person to comply with these rules, appear at, or participate in, a settlement conference, unless good cause is shown for any such failure may result in the court imposing appropriate sanctions as described in UTCR 1.090. Cases set for a settlement conference shall retain their place on the trial docket.
- (5) If settlement negotiations are not successful, counsel should be prepared to proceed to trial on the date scheduled. The court will make every effort to ensure the case proceeds to trial on the date scheduled.
- (6) If a settlement is reached, the parties shall place notice of the settlement on the record before the scheduled trial date, in accordance with UTCR 6.020.
- (7) Parties are required to file a detailed confidential settlement conference statement with the court, in the form prescribed by the settlement judge.

6.013 Criminal Settlement Conferences

For all criminal cases where the charging instrument alleges one or more Measure 11 crimes, other than attempted murder, murder or aggravated murder, and where the defendant is lodged, the court may schedule a voluntary settlement conference at the request of the attorney, which shall be subject to the following procedure:

- (1) The court, while being consistent with the requirements of ORS 136.290, will schedule the settlement conference within four (4) – six (6) months following the defendant's date of arraignment;
- (2) Prior to the conference, the DA's office and defendant's counsel shall submit to the settlement conference judge a confidential written statement in a form prescribed by the court. All documents submitted by the parties in connection with the settlement conference will remain confidential and shall either be returned to the parties or destroyed by the settlement judge immediately following the conference; and

- (3) If the case is resolved during the settlement conference, the defendant shall be prepared to complete a Plea Petition and enter a change of plea on the record, as well as proceed to sentencing, if the parties' waive the time prescribed by ORS 137.020(2) and if otherwise reasonably possible, prior to the conference being adjourned.

6.051 Providing Bench Copies of Written Submissions

Parties who file with the court any written submission (i.e. responses, replies, legal memos, trial briefs, orders) within ten days of a scheduled trial or hearing shall also simultaneously transmit bench copies of same to the chambers of the judge assigned to the case.

6.081 Marking Exhibits

- (1) Exhibits shall be marked using the self-adhesive and permanent Exhibit Stickers provided by the court (Pengad Exhibit Labels 7/8" X 1-1/2), or with stickers of Like size and color, as follows:

<u>White</u>	=	<u>Petitioner</u>
<u>Brown</u>	=	<u>Respondent</u>
<u>Blue</u>	=	<u>Defendant</u>
<u>Yellow</u>	=	<u>Plaintiff</u>
<u>Red</u>	=	<u>State</u>

- (2) In the event the same exhibit is offered in evidence in multiple hearings, the exhibit must be marked with separate exhibit stickers in such a manner that each will remain conspicuous.

6.211 Docket Call and Jury Trial Settings

Attorneys and parties on all criminal cases set for jury trial may be required by the court to appear at Docket Call at 8:00 a.m. on the scheduled trial date. The purpose is to determine the final status of the case and to be assigned to a trial judge. All jury trials shall commence on a Tuesday, Wednesday, or Thursday.

CHAPTER 7 - CASE MANAGEMENT AND CALENDARING

7.011 Guilty Pleas

After an entry of a not guilty plea, the court must be notified of the intent to withdraw the not guilty plea and to enter a guilty plea before 3:00 p.m. on the day preceding the plea, except felony reductions, which must be filed before 3:00 p.m. two working days preceding the plea. Guilty pleas in criminal matters may be entered any court day at 8:30 a.m. for out-of-custody defendants, at 1:30 p.m. for in-custody

defendants, or at any regularly scheduled docket call.

7.012 Order on Arraignment

In misdemeanor cases, when a jury trial is requested, the defendant's attorney may file an "Order on Arraignment" setting the matter for a pretrial conference. Said pretrial conference shall be scheduled in accordance with SLR 7.014. The "Order on Arraignment" shall waive formal arraignment and shall set forth that the attorney has advised the defendant of the right to remain silent, right to an attorney, and right to a jury trial. It shall further state that the attorney has explained to the defendant what the defendant is charged with and the maximum penalty. Attached hereto as Appendix B is a sample form for use as an "Order on Arraignment".

7.013 Release of Defendant Upon Order on Arraignment

When a bail decision has not already been made by the court, and the defendant's attorney files an Order on Arraignment, the defendant shall report to the court clerk's office within seven (7) days of the filing of the Order on Arraignment to sign a Conditional Release Agreement. The defendant will then within that same time period report to the Jackson County Jail to be processed and fingerprinted.

7.014 Pretrial Conference Settings in Criminal Cases; Duty to Confer

- (1) All criminal cases in which a jury trial has been requested shall first be set for a pretrial conference within thirty-five (35) days of the date of arraignment for out-of-custody defendants and within twenty-one (21) days for in-custody defendants. Pretrial conferences shall be set on Monday at 9:00 a.m.
- (2) By no later than the pretrial conference, attorneys are required to confer regarding the following:
 - (a) Plea negotiations;
 - (b) Plan of discovery and disclosure of documents;
 - (c) Likelihood of motions or other reason for a pretrial hearing; and
 - (d) Any other significant issues pertaining to the case.

7.015 Appearance at Criminal Case Pretrial Conference; Postponements

- (1) All parties and counsel of record shall appear at the pretrial conference for the purpose of setting a date certain for trial, except as provided in SLR 7.016.
- (2) The trial date and status check conference will be scheduled for in-custody

defendants within 60 days of arraignment unless speedy trial is waived or provisions of ORS 136.295 apply and for out-of-custody defendants within 70–90 days of the pretrial conference unless special circumstances exist.

- (3) The pretrial conference will not be postponed for failure to confer as required by SLR 7.014(2) or for other reasons.

7.016 Pretrial Report

Appearance at the pretrial conference shall be waived if all parties to the case have signed a pretrial report setting forth an agreed upon trial date. Said pretrial report must be e-filed with the Trial Court Administrator by 2:00 p.m. on the last judicial day prior to the pretrial conference. The filing of said report constitutes a representation to the court by each signee that the parties have conferred in accordance with SLR 7.014 (2), all witnesses have been contacted and subpoenaed if necessary and that the parties are ready for trial or that a plea will be entered on a date and at a time specified in said report. All trial dates and pleas must be scheduled for a date certain within ninety (90) days of the scheduled pretrial conference, unless approval of a judge has been received which extends the date of trial or plea. Attached hereto as Appendix C is a sample form for use as a “Pretrial Report”.

7.018 Motion Days

Evidentiary and non-evidentiary motions filed in criminal cases shall be heard on Tuesday, Wednesday or Thursday at 2:30 p.m. and 1:30 p.m. on Friday.

7.019 Initial Appearance on Other Matters

The initial appearance on all other matters (i.e., FED’s, Judgment Debtor Hearings, Garnishment Hearings, and Claims of Exemption) shall be set on a date and time as prescribed by the court. The court will announce its calendar annually.

7.021 Jury Trial Request After Trial Set

Except as set forth herein, when one party makes a proper written application for a jury trial after a non-jury trial has been set, the case shall proceed to trial on the original date scheduled as provided in SLR 6.211. If said trial date is scheduled on Monday or Friday, the trial will then proceed as provided in SLR 6.211 on the first Tuesday following the original trial date.

7.022 Civil Commitment Hearings

All hearings required by the provisions of Chapter 426 and 427 of the Oregon Revised Statutes, unless otherwise ordered by the court, shall be held at 7:30 a.m. on any day the court may fix.

7.023 Status Check Conference in Criminal Jury Trials: Trial Postponements

- (1) All attorneys and defendants in criminal jury cases must personally appear at a status check conference to advise the court as to the trial status of the case. The conference will be held at 10:30 a.m. on Thursday of the week before which the trial is set. If that Thursday is a holiday, the status check conference shall be held at 10:30 a.m. on Friday of that week.
- (2) If a case will be resolved by a plea, a Plea Notice may be filed, and personal appearance will not be required. Attached hereto as Appendix D is a sample form for use as a "Plea Notice."
- (3) In the absence of unusual circumstances, requests for trial postponements will not be considered at the status check conference unless by the preceding Monday a motion is filed supported by a declaration or affidavit containing particularized facts justifying a need for a reset of the trial.

7.041 Notify Court of Bankruptcy Petition

The attorney representing a party in a civil action who has filed a federal bankruptcy petition shall immediately provide notice of such event to the court and all other parties to the action.

CHAPTER 8 - DOMESTIC RELATIONS PROCEEDINGS

8.011 Mediation of Child Custody and Parenting Time

- (1) In any domestic relations suit involving a contest over custody or parenting time of children, the parties shall make themselves available to the court's mediation service. A notice from the mediation service must be filed with the court stating that the parties have cooperated, and the mediation has been unsuccessful before a trial or hearing on the merits is to be held.
- (2) The parties may select, by stipulation, a private mediator. The parties shall directly contract with the private mediator and be responsible for payment of the mediator's fees. If independent mediation is selected, a written stipulation indicating the name of the mediator shall be filed with the court.
- (3) A case filed in the Jackson County Circuit Court remains under the jurisdiction of that court in all phases of the proceedings, including mediation. Any agreement of the parties reached as a result of mediation for which court enforcement may be sought must be presented to the court and the court shall retain final authority to accept, modify, or reject the agreement. At any point during the mediation, the court may approve a temporary custody and parenting time order reflecting the parties' agreement as to those issues.

- (4) To qualify as a court-approved mediator, a person must:
 - (a) Meet the requirements of UTCR chapter 12;
 - (b) Sign and file an application with the court; and
 - (c) Receive approval by the Presiding Judge, upon recommendation of the Domestic Relations Mediation Screening Committee.
- (5) Upon a showing of good cause, the Presiding Judge may allow appropriate substitutions, or allow a waiver, of the minimum requirements consistent with UTCR chapter 12.
- (6) The Presiding Judge may remove a mediator from the court-approved list at any time at the Presiding Judge's discretion.
- (7) A mediator has authority and control over the mediation process; but a mediator has no control or authority over the parties or over their decisions in the case. A mediator shall encourage disputing parties to obtain individual legal review and advice of any mediated agreement before signing any agreement. Further, the mediator shall not act as a lawyer for either party.
- (8) Upon receipt of a mediation assignment, a mediator shall immediately notify the parties of a reasonable date and time for the initial mediation session which shall occur within twenty-one (21) days of the mediator's receipt of the first notice of assignment. Mediation shall be completed in a prompt manner so as to not unduly delay the court and in no event later than a deadline date ordered by the court. Ninety percent of cases shall be mediated within forty-nine (49) days of the date of referral.
- (9) In all cases which have been referred to a court-appointed mediator, the mediator shall make a final report to the court describing the conclusion of the mediation, whether successful or unsuccessful, and in a manner prescribed by the court.
- (10) The mediator shall prepare a written memorandum of any agreement which the parties reach as a result of the mediation. The unsigned, proposed memorandum of agreement shall be distributed to the parties and to their attorneys by the mediator. If the parties choose to sign the memorandum of agreement after having had an opportunity to review it with a lawyer, the document may then be incorporated into a Court Order or Judgment.
- (11) The mediator may notify the court at any time following the initial mediation session involving the parties and the mediator that the mediation was unsuccessful, in which case the proceeding will be scheduled for hearing. The

mediator may determine that the mediation has been unsuccessful if the parties are unable to resolve the custody or parenting plan controversy; or, if one or both parties are unwilling to participate in mediation; or, if the mediator determines that either party is using the mediation process in bad faith for the delay of resolution of other issues.

- (12) In issues subject to mandatory mediation under these rules (custody and parenting plan), Jackson County shall compensate the mediator at a per case rate set by the Presiding Judge. Mediators will be credited for each case assigned. All meetings surrounding the case, from the time of appointment for a period of four (4) months will constitute one (1) case. Each case includes time for administrative requirements including setting appointments, corresponding with parties and attorneys, mediation sessions, and for time spent drafting the parties' agreements.
- (13) In the event both parties do not appear at a scheduled mediation session without at least 24 hours advanced notice to the mediator, the mediator may request a cancellation fee, set by the Presiding Judge. Alternatively, the mediator may mediate with one party if shuttle mediation would be helpful in resolving the case and charge the set per case rate. The party canceling must provide advance notice on a regular business day to avoid imposition of the cancellation fee. In order to charge the cancellation fee, the mediator must send a written notification identifying the responsible parent and the amount charged, to the assigned judge and both parties, through their attorneys if they are represented. The mediator shall refer the case back to the court after two no shows on any one case.
